

Pre-registration for the 135th Canton Fair Has Started!

The 135th Canton Fair will be held in three phases in Guangzhou, China from April 15 to May 5. We look forward to seeing you!

Pre-Registration

To improve our services of offline exhibition and facilitate buyers' attendance, for the 135th Canton Fair, the existing practice of pre-registration will be followed, i.e., **all overseas new and regular buyers** who will attend onsite must pre-register in advance.

Various benefits for pre-registration including exclusive services

Free badge and quick entry

After completing pre-registration, **overseas new buyers** can collect the first Buyer Badge for free at alternative registration offices such as Guangzhou Baiyun International Airport and designated hotels in Guangzhou, while **overseas regular buyers** can re-apply for a new badge free of charge when old ones are lost or forgotten. Pre-registration can save time and effort for quick entry and convenient attendance.

Note: Previous Canton Fair overseas Buyer Badge is still valid in this session. If you already have a Canton Fair Overseas Buyer Badge, you can directly enter the Complex with it.

First-hand knowledge of Fair highlights

After pre-registration, you can get the latest news about the highlights, exhibitors, exhibits, events and so on through emails from the Canton Fair.

Free gift

Pre-registered overseas buyers can collect a gift at the Canton Fair Complex onsite.
